# STREED-COLBURN W. A. YOUNG

COMPLETE SHORTHORN DISPERSION SALE

WEDNESDAY, MARCH 26, 1958 — CARROLL, IOWA

Farmers Sale Pavilion — 12:30 P.M.

SELLING 80 HEAD

2 Herd Bulls — 15 Cows with Calves at Foot — 7 Open Heifers  
39 Bred Cows and Heifers — 2 Commercial Cows

STREED & COLBURN, ODEBOLT, IOWA are selling their entire herd because Ted Streed is leaving the farm. This is a herd that was established only a few years ago and was *Selected for Quality* at some of the top sales in the midwest. They are selling 19 bred Cows and Heifers, 6 Cows with Calves at Foot, and 7 Open Heifers. There will be 6 daughters of imported Cromleybank Eldorado by Craggleton Prince Bob. There are 10 daughters of Gambler's Baron by the \$6,000 Clear Creek Gambler. Other outstanding females by Bapton Baronet, Fair Acres Formula, Scotsdale Broadboy and MF Supreme 12.

W. A. YOUNG, CLEARWATER, KANSAS, after five years of drouth in the fall of 1956, sent one Bull and 29 Cows to the Streed and Colburn farm where they have been handled on a share basis. Nine of these cows have Calves at Foot, and the other 20 have been mated to BROADVIEW BOUNCE 2d, a four-year-old grandson of imported Craggleton Bounce, and this Bull also sells. These cows are daughters of Millgate Golden Leader, Royal Prince Leader, Marellbar Cap-A-Pie, Comrie Captivator and Mercury's Anticipation.

HERMAN B. LEITING, ACADIA, IOWA is a guest consignor to this sale with one outstanding red senior yearling bull by Claymore Envoy by the \$15,000 Cromleybank Legionaire, and out of a granddaughter of Morlunda Prince Peter.

**Here is your opportunity to buy working cattle** and you will find that it is your opportunity to get a "*lot more for your money*" than you will expect to find anywhere this spring.

Everything sells T.B. and Bangs tested, and there no doubt will be some bargains because these cattle have not been fitted for sale. The quality and bloodlines are sound and popular.

## General Information

**Location and Date** – The sale will be held in the Farmer's Sale Pavilion at Carroll, Iowa, at 12:30 p.m. on Wednesday, March 26, 1958. Carroll is located at the junctions of U. S. Highways No. 30 and 71, and is also located on the main line of the Chicago and Northwestern Railroad running between Chicago and Omaha. Carroll is only overnight by rail from either Denver or Chicago.

The Farmer's Sale Pavilion is located at the west edge of Carroll.

**Guarantee** – As is customary, since this is a dispersion sale, all cattle will be sold without further guarantee. We would like to point out, also, that any questionable producers were always removed in our systematic culling practice each year. We will give all the information we have on each lot with reference to breeding dates, etc., and announcements from the auction block will have precedence over printed information.

The above terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

**Health** – All cattle are absolutely healthy in every respect, and will have passed the tuberculosis and Bang's disease tests within thirty days of the sale. Health certificates will be furnished where required to ship into any state or territory. Calfhood vaccination for Bangs is followed.

**Registration** – Certificate of registry with transfers entered and recorded in the buyer's name will be furnished with each lot sold, and an application will be furnished and recorded for every calf at foot and every calf carried in dam.

**Mail Bids** – Those wishing to buy at this sale, who cannot be present, may send their bids to the Sale Manager, Mervin F. Aegerter, at Seward, Nebraska; Kenneth Fulk or Ted Aegerter of the American Shorthorn Breeders' Association; Arch Stone of the Wallace Farmer; or to the auctioneer, J. E. Halsey, Des Moines, Iowa.

**Terms** – Terms of sale are cash.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

Also, plenty of fine modern motel accommodations available close to the sale pavilion which is located at the west edge of the city.

Clear Creek Gambler, top selling bull at \$6000, in the 1952 International Congress sale. Sire, Kirkton Gambler. Purchased by D. L. Coffey, Lindsay, Oklahoma, and J. A. Collier, Fletcher, Oklahoma.

GAMBLER'S BARON – This son of Clear Creek Gambler has ten daughters in this sale, and there will be several cows with calves at foot by him. His dam was Hallwood Carnation 16th, top selling female at Denver in 1953, and out of the same cow as Gambler's Carnation 2d, reserve grand champion female at the 1956 Kansas City American Royal Livestock Show. Gambler's Baron was sold last fall to Harold Griepentrog, Monroe, Nebraska.

March 26, 1958

•

Carroll, Iowa

Here are four daughters of Cromleybank Eldorado as they were pictured in the 1954 Herman Leiting sale. Streed & Colburn bought six of these top females at that time and they sell in this sale.

*YOU'LL GET MORE FOR YOUR MONEY IN THIS SALE . . .*

Duane Colburn, a Sac City, Iowa businessman, and his brother, Paul Colburn, a Seward, Nebraska businessman, are partners on their farm near Odebolt, Iowa with Ted Streed. During the last several years they have put together a good working herd of Shorthorn cattle which was "Selected for Quality" from several of the top sales in the midwest. In the fall of 1956 they took one bull and 30 cows from W. A. Young of Clearwater, Kansas on share because Mr. Young had lost all of his grass after five years of drouth.

Now that Ted Streed is leaving the farm, these cattle must be sold, and Mr. Young is also selling his cattle.

If you are looking for some good working females with good pedigrees, I would like to urge you to attend this sale. The cattle have not been fitted for auction, so I know there will be some bargains. We will look forward to seeing you on Wednesday, March 26.

BROADVIEW BOUNCE 2d - W. A. Young purchased this bull in the Northern Oklahoma Shorthorn Breeders' Sale where he was the reserve grand champion and top-selling bull. His sire is a half-brother to Sunset Bounce 25th, grand champion bull at the 1950 International Shorthorn Show. His dam is by a half-brother to the noted breeding bull Edwin Royal Leader that did so much good for the McCones, and that sired the \$10,000 Chicago International grand champion bull, Edwin Leader. Mr. Young sent this bull to the Streed & Colburn herd to be used on the females that he had moved up to their Iowa farm from Kansas. He has been a sure breeder and here is an opportunity to get some of the potent Cruggleton Bounce blood.

W. A. YOUNG & SON  
Registered Shorthorn Cattle  
CLEARWATER, KANSAS

August 15, 1956

Dear Merve:

We are all burned out, dried up for the fifth year, and got to get rid of our cattle.

Do you have anyone who would buy some of them, or take them on shares? Would make a good deal, they are a paying herd. Fifty cows to calve this fall and winter. They are all in good flesh. Will be out of feed in two or three weeks.

I would certainly like to place these cattle in some part of the country where they have feed so that I can keep my interest in them because you know how long I have been working with Shorthorns out here in south-central Kansas. Let me hear from you at your earliest convenience.

# Memo

**Please Bring This Catalog With You!**

# *Selected for Quality*

Take a good look at the breeding and quality of this offering, and you will see that Streed and Colburn did a good job of putting this herd together. I would like to call your attention to the six daughters of Cromleybank Eldorado that sell as Lots 5, 6, 7, 8, 9, and 10. There is a top open heifer, Lot 4, by Imported Bapton Baronet. Then take a look at Lots 1, 2, and 3. This Lustre 88th cow and her two daughters will suit most anyone.

## **NOW THEY CAN BE YOURS**

Because Ted Streed is leaving the Colburn farm located just east of Odebolt, Iowa, it is necessary that these cattle positively all be sold. This is one of the largest groups of registered Shorthorn females that will be offered in public auction in the middle-west this spring . . . at a time when it is wise to expand beef cattle operations on your own farm.
